Identify and act upon signs that a young person is at risk of harm. 2. Take effective action whenever there is a worry or serious concern about a young person's or child's welfare. 3. Support young people in managing and maintaining a clean, safe, and secure living environment. 4. Report all property security, maintenance, repairs, and decoration matters in a timely and objective manner. 5. Work collaboratively with colleagues, managers, and the professional network. <p>Help young people lead healthy lifestyles and achieve the health and well-being outcomes recorded in their plans, take part in and benefit from a variety of sports, culture, and arts activities.</p> <ol style="list-style-type: none"> 1. Deliver 1:1 support sessions to enable young people to manage their emotions and feelings so they can feel better about themselves when they experience difficult emotions i.e., anxiety, stress and feeling low. 2. Deliver 1:1 support sessions to enable young people to manage and build positive relationships; feel connected to a wider group of friends, peers, and responsible adults. 3. Deliver 1:1 and group support sessions to encourage interest and engagement in a variety of home-based sports, culture, and arts (SCA) activities that meet their needs and develop their intellectual, physical, and social interests and skills.

4. Work collaboratively with colleagues, managers, and the professional network.

Help young people make measurable progress towards achieving their educational potential

1. Support young people in finding enjoyment in learning, and achieve their education and training targets, as recorded in relevant plans (My Mind Star Action Plan, Pathway Plan, etc.)
2. Deliver 1:1 support sessions to support a young person in attending education, training, or employment - including helping the young person develop independent study skills and complete independent study/homework.
3. Work collaboratively with colleagues, managers, and the professional network.

Help young people develop resilience and skills to live independently as an adult

1. Deliver 1:1 support sessions to help young people develop critical independent living skills including managing money, managing a clean and safe home, cooking, etc.
2. Deliver 1:1 support sessions to help young people develop an understanding of who they are and a sense of belonging (self-esteem) – including family, diversity, equality, and inclusion (race, culture, religion, disability, sexuality or gender).
3. Work collaboratively with colleagues, managers, and the professional network.

Improving practice and continuing professional development:

1. Contribute to monthly supervisions, appraisals, and probationary reviews in a meaningful and reflective way.
2. Attend and participate in team meetings, group supervisions, curriculum development meetings, and training.
3. Reflect and share your training and development needs and priorities.
4. Seek and promote more innovative ways of doing things.

Delivering value-for-money

1. Manage young people's budgets and expenditure around allowances and activities in accordance with YF Expense Policy.
2. Use the Sports, Culture and Arts budget (SCA) responsibly to best achieve results and value for money.
3. Through the 1:1 support you deliver, encourage good practice and innovation around waste disposal, recycling, and waste reduction - particularly in relation to energy management (i.e. gas, electricity, water).
4. Support the maximisation of income through Housing Benefit collection, vacancy management, void turn-around time, and placement stability.
